

## RECOMMENDATIONS FOR CONTRIBUTIONS FOR USE OF THE HALLS

*Suggested rates which would cover 50% of heat and light costs at Fortwilliam and 33% at Macrory, which reflects the % time the premises are used by outside groups. The amount would be on a seasonal basis, cover a four hour session with all day events doubling the rate, and includes use of kitchen and toilets:*

<b><u>Fortwilliam:</u></b>	Lecture hall	£60.	<b><u>Macrory:</u></b>	All halls	£50.
	Mulligan Room	£15.		Main hall only	£35.
	Green Room	£13.		Minor hall	£15
	Youth Room	£15.			

All rates have to be balanced with our commitment to serve the local community and we therefore have to consider what each group offers to the wider community as well as to the church in terms of reputation and provision of service connected to the church. We are not a profit making organisation but we do seriously have to consider covering costs. There will always be cost in terms of impact on the premises which cannot be accounted for.

In considering the rates for use of the halls we have to take into account the increased cost of heating in particular but also the cost of water rates etc.

Rates for church organisations remain roughly at:

<b><u>Fortwilliam:</u></b>	Lecture hall	£18.	<b><u>Macrory:</u></b>	All halls	£13.
	Mulligan Room	£7.			
	Youth Room	£0.			

Use of church for weddings etc. by those who aren't members remain:

Use of Church	£150
Heat & Light donation:	£100
